

The Craig School Celebrates 45 Years with a Grant Award from The Summit Foundation to Enhance Classroom Accessibility

MOUNTAIN LAKES, N.J. - Jan. 9, 2025 - [PRLog](#) -- As The Craig School celebrates 45 years of empowering students with learning disabilities, it is honored to announce the receipt of a \$22,120 grant from The Summit Foundation to support the FM System Replacement for Auditory Assistance Classrooms. This grant will enable the school to replace and upgrade its FM speaker systems, enhancing auditory accessibility in classrooms and fostering a more inclusive learning environment.

This project underscores The Craig School's commitment to providing state-of-the-art resources to its students. By improving sound clarity and communication between educators and students, the upgraded FM systems will directly enhance learning experiences and outcomes.

"Marking our 45th year, this grant from The Summit Foundation is a testament to the impact of our mission and the importance of creating environments where all students can thrive," said Susan Schmitt, Head of School. "We are deeply grateful for their support and shared commitment to educational excellence."

For four and a half decades, The Craig School has been a leader in educating students with language-based learning disabilities. The school continues to innovate and evolve, ensuring its programs and resources meet the unique needs of its students.
